MISREPRESENTATION

If you have incorrectly stated, misrepresented or failed to disclose a material fact in your application for insurance, including in any written, telephonic or electronic statements provided as evidence of insurability, we may contest the validity of this policy. This means we can declare the policy void from the beginning.

However, except in the case of fraud, we will not challenge the validity of this policy after it has been in effect continuously for 2 years from the later of the effective date or the date the policy was last reinstated.

If there is evidence of fraud, we can declare the policy void, and will refund premium at any time. Fraud includes, but is not limited to, a material misrepresentation of your smoking habits. It also includes any other misrepresentation about, or failure to disclose, information that is important to our decision to issue this policy at the premium rate we applied at the time the policy was issued.

WHEN YOUR DATE OF BIRTH OR GENDER IS MISSTATED

If your date of birth or gender has been stated incorrectly in the application of insurance, we will adjust the amount of benefits payable to the amount or total amount that would have been provided in exchange for the same premium you are paying using the correct age or gender. However, if we could not have issued this policy because the correct age does not meet our age requirements, we will declare this policy void and return all premiums paid to you.

PREMIUMS

The premium you must pay to keep this policy in force is shown in the policy schedule. The premium due date is the first of each month after the effective date. The premium rate is based on the insured person's class grouping and death benefit amount selected by you.

Premiums are due to us and must be paid on the premium due date, subject to the *Grace period* section below.

Change of Premium

We may increase or decrease your premium. We will only change your premium if a change is being made to all insured person's in the same class grouping. No one individual insured person will ever be singled out for a premium rate change.

At least 45 days prior written notice of any change in premium will be given to you. We can only change your premium once in any 12-month period.

GRACE PERIOD

A grace period of 30 days from the premium due date will be granted to you for the payment of the premium. During such grace period, coverage under this policy shall continue in force, but you will be liable to us for the payment of the premium that accrues during such period. If you do not pay the overdue premium and any premium falling due within the grace period, this policy and the coverage will automatically end without notice to the Insured or any other person. If your policy ends this way, it is called a lapse.

REINSTATING YOUR POLICY

If your policy ended because it lapsed due to non-payment of premium, you may apply to have it put back into effect if the insured person is alive. This process is called reinstatement.

The policy may be reinstated:

- within thirty-one days of the end of the grace period, by paying to us all overdue premiums, provided that the insured person is alive at the time such payment is received by us; or
- within two years of the date of lapse, by providing to us a written request for reinstatement, payment of all overdue premiums and evidence of insurability that we consider satisfactory.

If this policy is reinstated, the 2 year period for contesting the validity of this policy and any limitations and exclusions begin anew from the date of reinstatement, as set out in the sections entitled "*When we will not pay*" and "*Misrepresentation*".

BENEFICIARY

All benefit payments, including benefits payable for any insured dependent child covered under this policy are paid directly to you.

If you are deceased at the time that a benefit is paid by us, we will pay benefits to the beneficiary you named, as set out in the policy schedule. If you make changes, we pay the beneficiary named in your latest written change request you provide to us. You can make a change at any time before your death. If the beneficiary designation is irrevocable, you cannot change it without the beneficiary's consent. If there is no beneficiary entitled that survives you, we will make the benefit payment to your estate.
